

CROSBY MANITOU STATE PARK

Overnight Parking Information

(updated May / 2021)

You must register and pay to have your vehicle parked within any Minnesota state park if your vehicle will be within the park after 10:00 p.m.

There are two types of Minnesota State Park parking permits:

- A **current yearly** Minnesota State Park permit (affixed to the lower passenger side of the front window). The cost is \$35.00 for a full year from the month of purchase.
- A **daily parking pass** for each night your vehicle will be in the park past 10:00 p.m. The daily cost is \$7.00.

The easiest way to pay is [online](#), or to arrive during the day while the park staff is available at **Tettegouche S.P.** (it's on the way), since there is virtually never any staff present at Crosby Manitou S.P. If you arrive after hours, or find that there are no state park staff available to assist you, please follow these instructions.

Self-Service Instructions for Parking at Crosby Manitou State Park

1. **Find the self-service kiosk:** At Hwy. 61 (mile post 59.3) turn inland on Hwy. #1 and go 6.0 miles to Lake Cty. Rd. #7 (Cramer Rd.). About 200 yards before Lake Cty. Rd. #7 is Lake Cty. Rd. #6. **Don't turn there by mistake.** Turn right on Lake Cty. Rd. #7 and go 7.8 miles to the park entrance road, which is on the right. About 300 yards down the entry road on the right, you'll find the kiosk.
2. **Fill out the Minnesota State Parks payment envelope:**
Envelopes are available at the kiosk. If you purchase a year-round permit, they will mail it to you. You can pay by cash, check, or credit card (fill out the credit card information on the envelope).

Fill out your mailing address in the space provided. Write your vehicle license plate number on both the envelope and the rip-off tab. Put the rip-off tab (proof of purchase) on the dashboard of your vehicle. Put your payment in the envelope and place it in the night deposit box at the self-service kiosk.
3. **What to do if you already have a yearly state park permit:**
You **must still** fill out your vehicle information on the envelope. Put the rip-off tab receipt on the dashboard of your vehicle and put the envelope in the night deposit box at the kiosk. No additional payment is due.
4. **Where to park and wait for us to pick you up:**
About 300 yards past the entry kiosk, where the road splits, go left. You'll find the overnight parking area. We will pick you up in **this** parking lot (**not** the small parking area at the kiosk). If you want to be picked up or dropped off where the park entry road "T's" into Lake Cty. #7, please let us know so we can plan accordingly. You can mention that in the "comments" section on the reservation form.

A good to know item: There is a water pump (sign) about 75 yards past the kiosk on the way to the parking lot just in case you have a need for water.

For more information, visit the Minnesota State Park website's [Crosby Manitou State Park](#) page.
