

# JUDGE MAGNEY STATE PARK

## Overnight Parking Information

(updated May / 2021)

You must register and pay to have your vehicle parked within any Minnesota state park if your vehicle will be within the park after 10:00 p.m.

### There are two types of Minnesota State Park parking permits:

- A **current yearly** Minnesota State Park permit (affixed to the lower passenger side of the front window). The cost is \$35.00 for a full year from the month of purchase.
- A **daily parking pass** for each night your vehicle will be in the park past 10:00 p.m. The daily cost is \$7.00.

The easiest way to pay is [online](#), or to arrive during the day while the park staff is available. If you arrive after hours, or find that there are no state park staff available to assist you, please follow these instructions.

### **Self-Service Instructions for Parking at Judge Magney State Park**

#### 1. **Find the self-service kiosk building where campers register:**

At Hwy. 61 (mile post 123.8) turn inland into the entrance for the state park. The registration building is only about 100 yards off Hwy 61. Most often there are no staff present. There is a stop sign here also.

#### 2. **Fill out the Minnesota State Parks payment envelope:**

Envelopes are available at the registration building. If you purchase a year-round permit, they will mail it to you. You can pay by cash, check, or credit card (fill out the credit card information on the envelope).

Fill out your mailing address in the space provided. Write your vehicle license plate number on both the envelope and the rip-off tab. Put the rip-off tab (proof of purchase) on the dashboard of your vehicle. Put your payment in the envelope and place it in the night deposit box at the self-service kiosk building.

#### 3. **What to do if you already have a yearly state park permit:**

You **must still** fill out your vehicle information on the envelope. Put the rip-off tab receipt on the dashboard of your vehicle and put the envelope in the night deposit box at the registration building. No additional payment is due.

#### 4. **Where to park and wait for us to pick you up:**

Continue beyond the registration building and about 200 yards ahead is the only parking area in the park (besides the campground itself). There are picnic tables on one side of the lot. Park on the side away from the picnic tables. Please be ready to board prior to our arrival. Thank you. See you there!
